Najiya Fatma Research Scientist, NYU Langone Health

Najiya.Fatma@nyulangone.org | fatmma3@gmail.com https://najiyafatma.github.io/ 1 Park Avenue, New York, NY, 10016

EDUCATION

Doctor of Philosophy, Industrial Engineering

July 2018 - July 2024

Department of Mechanical Engineering, Indian Institute of Technology Delhi, India

CGPA: 9.43 on a scale of 10 Advisor: Prof. Varun Ramamohan

Thesis title: Analysis of Healthcare-Seeking Behavior and Referral Mechanism Modeling at Public Healthcare Facilities

Bachelor of Technology, Production and Industrial Engineering

July 2014 - June 2018

National Institute of Technology Jamshedpur, India

CGPA: 9 on a scale of 10

Research experience

• Research Scientist December 2024 -

Project: Organ allocation simulation modeling

Advisor: Prof. Sommer E. Gentry

Center for Surgical and Transplant Applied Research, NYU Grossman School Of Medicine, New York, NY, 10016, USA

• Early Doctoral Fellow

July 2024 - September 2024

Project: Real-time healthcare facility assignment using analytical and simulation-driven machine learning predictor

Advisor: Prof. Varun Ramamohan

Indian Institute of Technology Delhi, 110016, India

• Principal Project Scientist

August 2023 - May 2024

Project: Dynamic Route Planning of Combat Aircraft

Advisor: Prof. Varun Ramamohan & Lakshmi Ravishankar

Aeronautical Development Agency, Defense Research and Development Organization (DRDO), Government of India

Research interests

Methodologies: Queueing theory, stochastic modeling, statistical modeling, machine learning, network algorithms Application areas: Healthcare delivery systems, military operations

Honors and Awards

• Association for Computing Machinery (ACM) Grant

February 2024

• Science and Engineering Research Board (SERB) International Travel Support (ITS)

April 2023

Prime Minister Research Fellow Travel Grant
Prime Minister Research Fellowship (PMRF), Government of India

December 2022, 2023, May 2023

July 2018 - July 2023

• Graduate Aptitude Test in Engineering (GATE) - All India Rank 9

March 2018

Language and Tools

Python, R, MINITAB, SPSS, MATLAB, LaTeX

Teaching Assistant

• IIT Delhi: Operations Research, Supply Chain Management, Project Management

August 2018 - April 2023

• G.B.Pant Engineering College, Delhi: Simulation Modeling of Service Systems

August 2022 - April 2023

Publications

Book chapter
